

NOTICE (Institute Level Repository)

As per the requirement of NAAC, the Central library has recently created Institution Repository using D-space Software. They have collect required data (University INSEM ENDSEM Question Papers, Research papers Published by Faculty/UG/PG Students, Syllabus etc) from Computer Department and it is almost completed.

All HODs are requested to visit <http://192.168.3.232:8080/jspui> to know more about this very useful Institute repository. (Pl be patient, it takes some time to open). For example, you may visit <http://192.168.3.232:8080/jspui/handle/123456789/999> to view papers published by ME Computer students in the year 2017-18. You may visit similar links for question Papers and syllabus for Computer Dept.

All HODs are requested to kindly go through the above links and direct your departmental library coordinator to provide required data in PDF form at sesomvanshi@kkwagh.edu.in or the data could be copied on a pen drive (with appropriate folder structure) and hand over to Mr. Sainath in the Central library preferably well before the second NAAC MOCK scheduled on 11th & 12th June 2018.

MCA head is requested to provide a link from our website after the work is completed and update NAAC Coordinator and the undersigned.

Dr. Bodke and Network support department to ensure that the computer System on which the repository is made available must run 365 days 24 X 7 and always available on intranet

Suggestions, if any may be communicated via email at sssane@kkwagh.edu.in
